Lesson-Sermon On Man Will Challenge Evil

"Will you bid a man let evils overcome him, assuring him that all misfortunes are from God, against whom mortals should not contend? . . . Are material means the only refuge from fatal chances?" (p. 394) These challenging questions from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, are included in the Lesson-Sermon on "Man" in all Christian Science churches Sunday.

The Lesson-Sermon includes a discussion of the healing and redeeming effect of an understanding of man's spiritual and divine origin in God as Christ Jesus proved it. From the Bible, Jeremiah's prophetic questions about healing correlated the questions Mrs. Eddy was asking, where the prophet queries: "Is there no balm in Gilead; is there no physician there? Why then is not the health of the daughter of my people recovered?" (8:22)

The Golden Text is from the account of creation in the first chapter of Genesis. "God said, Let us make man in our image, after our likeness; and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth" (1:26).

The Senior High and College age youth of the church are planning to attend a youth program at First Baptist Church of Long Beach Sept. 11 at 7 p.m. The men of the church are playing a softball game at 148th and Vermont in Gardena Friday, Sept. 4, at 7:30 p.m.

Calvary Baptist Youth Dinner

Jerry Wallace, youth worker at Calvary Baptist Church, 2818 Manhattan Beach Blvd., has announced plans for a progressive dinner to be held in various homes Sept. 12th. The Junior High, Senior High and College Age youth who participate will be transported by car pools to the successive courses. Entertainment and a closing devotional will await the group at the last home. Mrs. Kay Bareford has been named interim director of the Calvary Baptist adult choir. Her services will begin with the rehearsal Thursday night, Sept. 3rd. The pastor will preach at the 8:30 and 11 a.m. duplicate Sunday morning services and at the 7:30 p.m. evening service. A "Communion Meditation" will precede the observance of the Lord's Supper at the morning services.

Harbor Area Chest Leaders Win Award for Best Organization

The Harbor Area Community Chest team of volunteers soared into a position at the end of this week sought by the Los Angeles Dodgers. This could only be first place. With this honor the Harbor Area was awarded the Harry Morrill trophy for being the best organized area to date. Area Chairman Jim Becker, Torrance-Lomita manager, Southern California Gas Co., reported the top percentage—100%—of required organization, thereby beat out the four other areas making up the Associated Cities department of the Red Feather appeal.

Reports were given at a meeting, held at Orthopaedic Hospital, and attended by Becker and Frode B. Kilstaffe, Wilmington, Area Advance Gifts chairman. "We're just warming up, too," Becker said. "By the time we take the field in October, we'll have more than 4900 volunteer workers needed for our seven Harbor area communities." "With the leaders we've enrolled to date and their willingness to give time to this community effort for 165 causes, I am confident we will stay in first place throughout the campaign."

Nevada 6 Phones Get New Prefix

More than 800 NEVADA-6 telephones in the Torrance, Lomita, Wilmington and San Pedro areas are now being changed to SPRUCE-5, according to Dick Pyle, Pacific Telephone manager.

The change is being brought about because of increasing demand for Los Angeles exchange service in the Harbor area, Pyle said. Only the prefix name and first number are being changed. The last four digits of the telephone numbers will remain the same.

New SPRUCE-5 telephone numbers have already been mailed to NEVADA-6 telephone users. FAirfax telephones in Torrance will not be affected by the number change, Pyle said.

Christian Science breaks the grip of matter

Many people have been healed of apparently hopeless troubles and diseases through prayer in Christian Science.

They have found a better way of life. They have gained, or regained, peace and confidence.

How anyone can learn to pray understandingly, effectively, is fully explained in the first chapter of Science and Health with Key to the Scriptures by Mary Baker Eddy. Such prayer is the spiritual understanding of God and of man in His "image and likeness," as the Bible teaches.

Science and Health may be read or borrowed at any Christian Science Reading Room. Send 13 for a copy postpaid.
